## **What happens after you send in your application?**

Your application will be forwarded to the E.B.V. Programme Committee.

Bands selected to perform at the E.B.V. 2018 will be informed in **January 2018**.

If your band is selected for a showcase at the E.B.V., we will need your confirmation shortly after that. At that stage you will also be requested to send in a stage-plan and a band-picture.

## **Local gigs**

The application form on the next page also allows you to express your interest in local gigs during the festival.

We aim to arrange small performances near the E.B.V. venue in the town of Voorthuizen.

**Performances are acoustic only and not amplified** (restaurants, terraces).

Band transportation to and from the venues is arranged.
